

SHANTEC SYSTEMS COMPANY,

To the Human Resource Assistant,

Dear Sir/Madam,

I hereby express my interest in the Industrial Attachment Programme at Shantec Systems technology Company,

I am Tony Ndereva Maluki , a third-year student in my second semester at Murang'a University of Technology Bachelor of Science(Information Technology). I have exceptional computer skills, i.e., proficiency in MS Word, MS Excel, MS PowerPoint, MS Access, Object Oriented Languages, Computer Networking, Software Development Life Cycle, Data Structure and Algorithm. I am also good at HTML, CSS and javascript web development .I am looking forward to shaping up my skills for use various web frameworks and back- end web development through interaction and working together with the other trained staff members of the company

I am organized, detail oriented, have excellent communication skills, time management skills and a high degree of commitment to my work.

Please find attached my CV,introductory letter from my school faculty, as well as the insurance cover from the school. I am looking forward to some positive feedback, a chance to share my skills and learn from your organization.

Sincerely,
